SUPPORT HEALTHY INFLAMMATORY RESPONSE

Injuries can result in discomfort, redness and swelling. Support your body's natural healing response to promote healthy joints, blood vessels, muscles and more with a unique vegetarian blend of systemic enzymes, whole food vitamin C and amino acid chelated minerals found in OneBodē™ Recover.

The proteolytic based blend of enzymes support the breakdown of protein. In the healing response, this action can help regulate a healthy response and recovery time by breaking down excessive fibrin. Vitamin C (from Acerola cherries) and patented amino acid chelated zinc, copper and manganese have been shown to support wound healing and enhance immune activities.

This blend, if taken with food, can also support the digestion of the proteins in that meal into amino acids for absorption and usage. The body uses amino acids as building blocks for biological molecules that support enzyme activity, muscles, collagen fiber and immune function, to name a few.**

Suggested Uses

- Promote a healthy healing response of damaged tissues from injuries and toxin exposure**
- Support cardiovascular health**
- Promote healthy circulation and blood cleansing of undigested protein**
- Support the digestion of high protein meals, shakes and bars**
- Support healthy healing in the sinuses and lungs**

Recommended Use

As a dietary supplement, take 2 capsules in the morning and 2 capsules at night between meals or as directed by a health professional. Following injuries, take 4 capsules every 2 hours during waking hours. To digest high protein meals, take 2 capsules with the meal.

Supplement Facts

Serving Size: 4 Capsules
Servings per container: 22

	Amount Per Serving	% Daily Value
Vitamin C (from Acerola Cherry)	9.6 mg	16%
Zinc (as amino acid chelate)†	20 mg	34%
Copper (as amino acid chelate)†	2 mg	100%
Manganese (as amino acid chelate)†	100 mcg	5%
Proprietary Proteolytic Enzyme Blend (Protease, Bromelain, Peptidase, Peptizyme SP® - Serrapeptase, Papain, Amylase, Lipase)	169,908 Activity Units	*
Wheat Germ	100 mg	*
Acerola Cherry	40 mg	*
Cellular Delivery System (Amylase, Protease I, Protease II, Peptizyme SP - serrapeptase, Lipase, Invertase, Cellulase, Lactase, Maltase, Hemicellulase, Zinc as amino acid chelate†, Copper as amino acid chelate†, Manganese as amino acid chelate†, and Molasses)	20 mg	*

*Daily Value not established.

Other ingredients: Rutin, Amla, purified beet fiber, vegetable capsule (plant cellulose and water)
